redefine brilliance

Sonic Downlight Series
Recessed LED Downlights for Commercial and Residential Spaces

Introducing

Sonic Downlight Series

The Sonic Downlight Series embodies the epitome of minimalistic design and durability. Every aspect of our Downlights has been meticulously crafted to provide not just the performance that you expect, but the swift efficiency. We made it a priority to ensure your entire experience from unboxing to installation is as swift and simple as it should be, without the common complications. Timeless appeal requires timeless materials, and with that in mind we carefully chose the most pristine and high-quality LED Chips to illuminate your space. Heat-dissipating aluminum takes the enigmatic form of a deep blue Heat-Sink, ensuring the longevity of your lighting. Explore the Sonic Downlight Series variations and how they can redefine your environment.

Sonic Trimless Downlight

Rayhil's line of trimless recessed LED Downlights introduce a streamlined aesthetic to your commercial or residential space. The easy twist and push method allows for minimal fuss when installing or servicing.

Clean and subtle lines create an unobtrusive illumination option perfect for the minimalistic environment.

The Sonic Trimless Downlight enhances a space with a modern aesthetic without sacrificing the quality of light.

Color Options

The Sonic Downlight Series is available in numerous trim colors to meet your interior design needs.

Gold

Black

Brushed Nickel

Bronze

Optional Accessories

The Sonic Downlight Series products come with two unique features to offer long-lasting, high-quality lighting in various settings. The first is an emergency battery backup that ensures continuous illumination despite power disruptions. Additionally, the product line's galvanized steel mounting plate makes installation easier and secures the fixture.

All Sonic Downlights have the option for an Emergency Battery Backup with 5 watts of power and a 90 minute run time.

Constructed out of galvanized steel, the Sonic Downlight Series mounting plate allows for more secure placement of your Rayhil Downlight

Ordering Guide

The comprehensive order guide provides all options for the Sonic Downlight Series. Custom options and requests can be submitted to info@rayhil.com. The Sonic Downlight Series is Energy Star and ETL rated.

SONIC 1.0

Trim	Wattage	Color Temp	Input Voltage	Beam Angle
RAD10R (Round) RAD10S (Square)	5 (400lm)	3000K 3500K 4000K	24V	25°

SONIC 1.5

Trim	Wattage	Color Temp	Input Voltage	Beam Angle	Trim Finish	EM
